### JOHN CASHEL

Committed For Trial At Calgary--  
Some Interesting Light on Cashel's  
Daring Escape.

(Bulletin Special Dispatch).  
Calgary, Jan. 6.—Yesterday John  
Cashel was committed for trial by  
the Supreme Court here, on the  
charge of aiding his brother to es-  
cape from the Northwest Mounted  
Police barracks. The result was not  
unexpected, although E. J. Nolan  
made a strong appeal for the defence.  
The present trial has made much  
clearer the manner by which Ernest  
Cashel succeeded in obtaining the  
weapons from his brother.

Winnipeg, Jan. 6.—The exhibition  
board met yesterday afternoon and  
decided to accept the Dominion gov-

Dominion fair to be held this year.  
The board will have the support of

Been Sustained.

London, Ont., Jan. 6.—Fire broke  
out at one o'clock this morning in  
Stirling Bros' boot and shoe ware-  
house and spread to German Reckert's  
spice mills. The firemen have six  
streams of water playing, but it looks

house. The stone walls of the build-  
ing fell, killing fire Chief Row and  
seriously injuring firemen Swanwick,  
Robinson, Seecombe and Robertson.

## LIBERAL CONVENTION

A delegate convention of the members of the Liberal party in the Strathcona Dominion electoral district, will be held in the town of Strathcona on Wednesday, January 20th, 1904, at 7.30 in the evening of that day.

The purpose of said convention will be to place in nomination a candidate for member of the Dominion parliament from this constituency. The basis of representation at this convention as decided by the executive committee of the central association, will be:

Fifteen delegates from each of the Territorial electoral districts of Strathcona, Wetaskiwin, Lacombe and Innisfail and one delegate from that part of Saskatchewan included in the Dominion constituency.

It is left with the central associations of these respective districts to see that their delegates are duly appointed, and it is hoped that a full representation will be present at the meeting.

By order of the executive committee of the Northern Alberta Central Liberal Association.

EUGENE RHIAN,

Secretary.

## THE OLDS FIRE

Lacombe Globe.

The cry of fire! fire! aroused the citizens of Olds at an early hour this morning. About 2 a.m. fire was discovered in the corner of the Oracle printing office, and from there it spread to Kent's harness shop, on to Silverthorn's boarding house, and to Code & Crozier's store, in which building is also the post office. The building and plant of the Oracle were completely destroyed, as was also Kent's building and stock. Kent had but \$350 insurance on a \$3,000 stock. About two-thirds of the contents in Silverthorn's boarding house were saved. The insurance on both building and contents ran out early in December and was not renewed. About half the stock of Code & Crozier was saved. No insurance on this stock.

To a man the citizens responded to the call and the bucket brigade worked most effectively. Although with in a few feet of Code & Crozier's, Brumpton's store was saved, by keeping wet blankets on the side of the building, and the last side of the burning building was pushed toward the flame by the use of poles. There was no wind, else a good proportion of the town would be in ashes.

A vote for incorporation was defeated here a few weeks ago, but personal animosities seem to have been buried in the ashes and steps will again be taken towards incorporation.

The loss is estimated at about \$25,000. Very little loss was sustained in connection with the post office.

## BOARD OF TRADE

## Discuss the Question of Circulation of American Silver in This District—Resolutions Passed.

A special meeting of the Board of Trade was held in the council chamber yesterday morning. Among those present were Messrs. Cushing, Ross, Fry, Blahoprie, Lines, McKenzie, Tomlinson, Douglas, Fraser, Studholme, Pardee, Morrow, Gariepy, Morris, McDougall, Fisher, Graydon, Forbes, Cairney, Brown, Bellamy, Hosten, Whitlaw, Scovel, and President Merewether, who occupied the chair, with F. F. Tims as secretary. The minutes of the last meeting were read and adopted.

Several communications from other Boards of Trade were then read by Secretary Tims. A letter from the Toronto Board asked the co-operation of the Edmonton Board in the matter of the new freight classifications for the year 1904.

It was decided to appoint a committee from the leading merchants in Edmonton to draw up the grievances resulting from freight classification No. 12.

The Morden Board of Trade asked for the co-operation of the Edmonton Board for the adjustment of several points in the new grain act.

A short time ago the Edmonton Board of Trade laid a complaint with the C. P. R. freight department, pointing out that Edmonton was being discriminated against in freight rates on sugar. The matter has been promptly adjusted by the C. P. R.

The most important matter for consideration was then brought up, that of the great amount of American currency in circulation in the Edmonton district. It was moved, seconded and unanimously carried that steps should be taken to lessen the percentage of United States silver in circulation. A very long discussion followed in which a large number of times present participated.

The result of the meeting was that, in passing, American silver currency should not be circulated at all. It is estimated that fifty per cent of the silver in circulation in Edmonton is United States currency. It was suggested that one bank be selected to collect it for one month and ship it out of the country and, for that to discount it at twenty per cent. It was pointed out that this method to succeed it would require absolute co-operation among all the business men in all the towns in this district and also in Calgary.

The discussion was continued for a long time and the following motions were moved, seconded and carried unanimously:

That in the opinion of this Board of Trade it is not practicable to discount American silver at twenty per cent, and that other means should be adopted to get rid of it.

And that arrangements be made with the local banks to collect all American currency for one month and send it out of the country, the cost to be borne by the depositor.

## COUNCIL MEETING

The first meeting of the city council for 1904 was held in the council chamber Monday evening. Those present were Mayor Short and Councilors May, Richard, Grierson and Cushing.

The first matter taken up was that of administering the oath of office to Mayor Short and Councilors May, Grierson and Phipps by Secretary-treasurer G. J. Kinnaird.

The forming of committees for the coming year was then discussed and was finally laid over until the first regular business meeting this evening.

## GOLDEN CARNIVAL

The management of the Edmonton skating rink have announced that they will give another grand carnival on Thistle rink on Friday, January 22nd. Ample notice is thus given to allow for the preparation of creditable costumes. Everybody coming must have entirely new costumes. The carnival, judging from the interest already taken in it, promises to be on a larger and better scale than any yet held in Edmonton. The following prizes in gold are offered:

Fancy dressed lady, \$30.  
Fancy dressed gentleman, \$30.  
Gentleman's comic costume, \$15.  
Ladies' comic costume, \$15.  
Best dressed boy over 16, \$10.  
Best dressed girl over 16, \$10.  
Best dressed boy under 12, \$5.  
Best dressed girl under 12, \$5.

## CLOVER BAR

The Christmas tree entertainment held in the Presbyterian church in East Clover Bar on the 29th instant, was a decided success. The program was very interesting and was appreciated by the audience. Clover Bar, Alberta and Fort Saskatchewan were represented.

A very enjoyable evening was spent at the home of Mr. and Mrs. Macdonald on the 29th inst., when Mrs. Macdonald entertained her Bible class.

Joseph Keif has been called to the hospital on account of the serious illness of his mother. We hope Mr. Keif will soon see his mother restored to perfect health.

Ottewill Bros., of Clover Bar, have announced that they intend starting their sawmill at Hartonville this winter to do custom work.

Alex Kelsay, of East Clover Bar, has set up his sawmill in the Beaver Hills about twelve miles east of Hartonville, and is doing a rushing business.

Pat Hanlan, who has been carrying on the business of blacksmith in Hartonville, is unable to attend to business on account of injuries received in the fire when his dwelling house was burned. We hope Mr. Hanlan will soon be able to attend to business again, as his absence is a great inconvenience to the public.

We are informed that Mike Hanlan of East Clover Bar, has refused an offer of \$450 for one of his work horses. He does not seem to be losing any in value.

Sid Ottewill has received a letter of enquiry from a company asking for information regarding the prospects for a company to manufacture brick at Edmonton.

Miss Lilian Dose is now spending her holidays with her parents in Clover Bar.

The annual meeting of the Clover Bar public school will be held on Jan. 10th, 1904, for the purpose of doing the general business of the district and electing a trustee to replace Sid Ottewill, whose term expires on that date.

The school board have secured the services of Miss Zola Campbell, of Strathcona, for 1904, in which they were very fortunate as Miss Campbell has served one term as teacher, and gave the best of satisfaction, and no doubt will still continue to hold the confidence of the children and ratepayers.

Frank Oliver, M. P. is billed to address a public meeting in Baker schoolhouse, East Clover Bar, on Jan. 2nd. Questions of public interest will be discussed. By the interest manifested, it no doubt, will be a great success. Mr. Oliver is well and favorably known in this district.

No better time than the beginning of the year to tender our sincere thanks to our very numerous customers and to solicit a continuance of their patronage, and also predict that the present year will largely increase the number. We have been in the country only for a short time, but we are here to stay and our aim in the past has been to give the biggest value for the smallest money, and we intend to carry it out in the future.

## HERE'S A STARTER FOR 1904

### FLOUR

Like everybody else we have sadly realised that through an unusual accident our wheat crop has been partly destroyed; this and the large immigration of last year, will increase the demand for flour far in excess of the possible local production. Under the circumstances the salvation to better our present situation was to look abroad so we did; and we were fortunate enough to secure large quantities of flour at a comparatively low figure, of which we give the benefit to our customers and the public:

### EDISON

As the regular correspondent is out I shall try to tell you of our Christmas tree. We met, organized, electing officers and appointing committees for the various parts of the work. Though the roads were very muddy Mrs. Shot and Miss Lena Edgson made the rounds in a cutter. They collected over twenty dollars. Mr. and Mrs. Shot and John Edgson were Santa Claus' deputies to choose the presents and decorations. To Mrs. West we are indebted for the artistic program cards which will be pleasing souvenirs of our first Christmas in Alberta. Mr. and Mrs. Charles Edgson were so kind as to permit us to use their house for the tree. It is a very large one storey log building, having large, smooth, round logs to support the roof. The tree was placed in the end of the building and when the arched roof and the walls were decorated with evergreens and the flags of many nations, also Japanese lanterns, etc., it was a very pretty picture and one that will long be remembered by those present.

We gathered at an early hour on Christmas Eve, and all seemed to enjoy the program, which consisted of songs and recitations by the children and young people of the settlement. There was music on the mandolin, violin, flute and organ. Among those outside the immediate settlement who favored us with their presence were Mr. and Mrs. Patena, whose little son and daughter sang a pretty Christmas song. Our young minister, the Rev. Johnson, was with us and gave us a recitation which was so well received, he was induced to give a second. Following the program came the distribution of the presents by Santa Claus, which caused great delight among the children. After many votes of thanks, we sang "God Save the King" and dispersed, thinking we had had a very pleasant time. By a careful count it is ascertained that there were seventy-eight persons present, twenty of whom were children.

Don't you think our settlement is of rapid growth? A year ago there was scarcely any one living on the prairie, while Arthur Edgson and his friend James Currell spent Christmas alone on the Edgson homestead. Now our people are numbered by the hundreds. We have a first-class store, thanks to Messrs Harrison and Maloney. We have taken the preliminary steps towards having a school. We expect a post office quite soon.

### ANNUAL SUNDAY SCHOOL MEETING

The annual business meeting of the Edmonton Presbyterian Sunday school was held in the basement of the church on Monday evening. Reports for the year were received and adopted. The secretary-treasurer gave a very full and interesting report, showing the progress made in the various branches of the Sunday school work. During the past year the staff of teachers had been increased from 14 to 22. The attendance increased from 108 to 229. The school has installed one of the best libraries in the West, consisting of six hundred well selected volumes. The Sunday school has adopted the plan of taking monthly missionary collections, the object being to assist in supporting a missionary in the home field. The financial report showed a substantial balance in favor of the Sunday school.

During the meeting a hearty vote of thanks was tendered those who had charge of the Christmas tree entertainment for the painstaking and successful manner in which it was carried out.

The election of officers for the ensuing year resulted as follows:—

Superintendent, H. W. Douglas; Assistant Supt., H. G. Giblin; Sec.-Treas., D. M. Cockindale; Librarian, Graham Walker. Appointed with power to select assistants.

Organist, Alice McDougall; Ushers, Messrs. Laidlaw and Casey.

### WINNIPEG MARKETS

Commercial.  
Wheat—Manitoba wheat has been round with moderate demand and little pressure on the part of holders to sell. Prices are 1c better than a week ago and we quote No. 1 northern at 74c, No. 2 northern at 73 1/2c, No. 3 northern at 73 1/2c, No. 4 wheat at 69 1/2c, feed at 52c, feed No. 1 at 42c for January delivery, and No. 2 May delivery, No. 1 northern at 84 1/2c, No. 2 northern at 81 1/2c, No. 3 northern at 77 1/2c, No. 4 wheat at 70 1/2c, all prices are for in store at Fort William or Port Arthur.

Grain—Supplies of oats are coming forward more freely and the quality a much better than earlier receipts. Prices are steady. Local feed dealers are paying 30c to 31 1/2c for No. 2 white oats, in carlots on track here, and 29 to 30c for feed grades. For farmers' loads at country points prices are averaging about 25c. The

street price here for farmers loads is about 30c per bushel for ordinary quality.

Barley—The movement is very light. Malt grades are bringing 38 to 39c per bushel in carlots on track here, and feed grades 31 to 32c. Farmers are getting about 28c at country points.

### BEAVER LAKE WEST

A happy and prosperous New Year. The Christmas and New Year season did not go past without its usual run of festive occasions, both in public gatherings and in family circles.

On Christmas eve the union Sunday school of Tofteld held their annual Christmas tree and social, which was as usual, well attended and crowded with excellent financial success. A long program of music and songs, dialogues and recitations was provided for the entertainment of those in attendance, after which a pleasant repast was enjoyed.

On Christmas night the Anglican Sunday school of Logan held their annual Christmas tree and entertainment at the residence of Rev. Mr. Atkinson, which also was attended with great success. A feature of this festival, which was all the more enjoyed by the people was that the social and Christmas tree were free to the public, an opportunity, particularly in regard to the latter, which was taken advantage of by the young people, to the huge enjoyment of all.

The Ross Creek Presbyterian Sunday school Christmas tree and entertainment was held in Upper Ross Creek schoolhouse on December 28th, and was attended with success. A bountiful supply of Christmas gifts was given at this entertainment. A feature of this entertainment that was most noticeable was the handsome gift that Mr. Thorndike, the missionary in attendance, was presented with by the people of Ross Creek in the shape of a well-filled purse. Well done, Ross Creek people.

Other Christmas entertainments were also held each with varied success, in the Northern, Grand Forks and Willow Fork settlements. Christmas parties and dances also were the usual current events of the holiday season just past. The coming in, snow added immensely to the enjoyment of all concerned.

We are glad to report that Mrs. D. Francis, who has been laid up with a serious illness is able to be about again.

Messrs. Duck and Pond, of England, are the guests of Mrs. Gingham, at Ross Creek.

Rev. Mr. Gold, of East Beaver Lake, was chairman at Ross Creek concert on the 28th ult. Mr. Roberts of Star, was also present and delivered an address.

Henry Woods got through threshing in the district on New Year's eve. Crops on the prairie have failed to come up to the usual standard. We hope for better things next year. Thompson's coal mine is being well patronized this winter.

Something out of the usual routine of events took place last Wednesday evening, which was indeed a happy occasion. Mr. Peter F. Ingram and Miss Mary Mitchell, of Tofteld, were united in the bonds of holy wedlock by Rev. Robert Williams, at the home of the bride's parents, in the presence of a numerous gathering of the friends of the contracting parties.

The wedding took place at 5:30 p.m. after which a beautiful and elegant upper was served. The evening was far from a tawdry one, as the "girls of the morning" was thoroughly enjoyed by the guests in music and song. Mr. and Mrs. Ingram were made the recipients of many handsome and useful wedding presents. They left for Edmonton on Friday, and had instant. They will take their residence in that progressive city.

Mr. and Mrs. Siddaby, of Strathcona, Mr. and Mrs. Quinn and Mrs. A. McCayley, of Edmonton, were the guests of Mr. and Mrs. H. Mitchell on New Year's.

It is rumored in social circles that his is not the only wedding that is to be recorded this winter in this settlement. There are more to follow. We hope to hear that some of our young people are about to be betrothed. We are enjoying the truly beautiful weather with joy. Mr. and Mrs. Mitchell are so very much complimented on the excellent and beautiful manner in which they prepared the entertainment and the happy occasion. The bride couple have the united and hearty well wishes of their many friends for a happy and prosperous future.

Roberts' Bros., of Logan, are threshing a crusher at their place. The machine is the best that has yet been brought into the settlement. It is being well patronized as good work is being done.

Work is to be commenced on the line from Tofteld to Logan. Mr. A. McCayley, of Edmonton, is engaged to be married to a young lady who will be made one of the town's belles. This road will be made one that can be talked about, not as it has been, but because it is as we hope it may be—a good traffic road.

**What the Farmer says about the U. S. SEPARATOR**

"Yes, sir; I'm well satisfied with the U.S. Separator. In fact I'd come pretty near giving up my cows too, if I had to give up the 'U.S.' Others, oh yes; there are others I know, and I've run them, but the 'U.S.' makes far more and better butter with much less trouble than any of them. I had my skim milk tested after using the 'U.S.' and there wasn't a trace of fat in it." "It was a good investment when I bought the 'U.S.' I can make more butter from the same quantity of milk, and have fresh clean skim milk to fatten calves with, than I ever did before I got the U.S. Separator."

"It paid for itself in the increase of butter within a year after I got it—any of the children can run it and keep it clean, and it hasn't cost me a cent yet for repairs."

**THE U. S. SKIMS CLEAN AND REQUIRES NO REPAIRS.**

MINNEAPOLIS, Minn., July 23, 1903.

I have been using a No. 1 U.S. Separator for the past three years, and I am well pleased with it. Have paid out nothing for repairs, and nothing goes easier than when I first got it. Skims clean—there is certainly nothing left in the milk.

—Exceedingly mild and pleasant weather continues at Edmonton. The temperature at noon today was 46 above. The Toronto News in an effort to make the people of Toronto satisfied with the disagreeable weather they have been enduring says that in Alberta the temperature is fifty below. The Toronto News appears to have joined the list of newspapers in the East who are libelling Western Canada.

—Moosemin papers announce that the hockey team are negotiating with the C. P. R. with a view to obtaining a special rate for a western trip. They expect to leave about the middle of February. If proper arrangements can be made they will come as far west as Calgary and play games at Regina and Moose Jaw. An effort should be made to have the Manitoba team visit Edmonton and Strathcona to give them an opportunity to see how the game is played.

—The Red Deer Advocate has changed hands. G. A. Love is the new editor and proprietor. In his introductory editorial he says in part: "To be perfectly frank, our position is that of the Independent Liberal, with the accent rather strongly on the Independent. We are Independent on principle, and Liberal because we believe the policy of the present administration best for our Western country. Whatever contributes to the best development of the West may be sure of our hearty advocacy."

—Edmonton juvenile hockey team hold their last practice tonight before leaving for Calgary Friday morning to play for the Jackson cup. The first game will be played Friday night, the second Saturday afternoon and the third Saturday evening. They will return to Edmonton on Monday evening. A number of supporters from Edmonton will go along with the boys.

## SITUATION WANTED.

I want a position as salesman or cashier; I mean to get one. I can do the work as well as anyone else, perhaps better. Am not afraid of work; fond of it; smart at it; cheerful over it. Am a business man thirty-three, educated, married, steady. I know something about advertising, too; that should be some use. I am not conceited, but I want to attract attention and offers.
